

# Smooshed Husky Oil Filter Rug

Prevent oil and fuel spills from entering storm drains...**even in the rain.**

**ABSORBS OIL.  
FILTERS WATER.**

## THE **HUSKY RUG** ADVANTAGE

Perfect for filtering oils, fuels, and sheen out of stormwater and filtration of oily water. Picks up oils from water 5x faster.

Great for covering storm drains or sump grates and providing protection at outfalls.

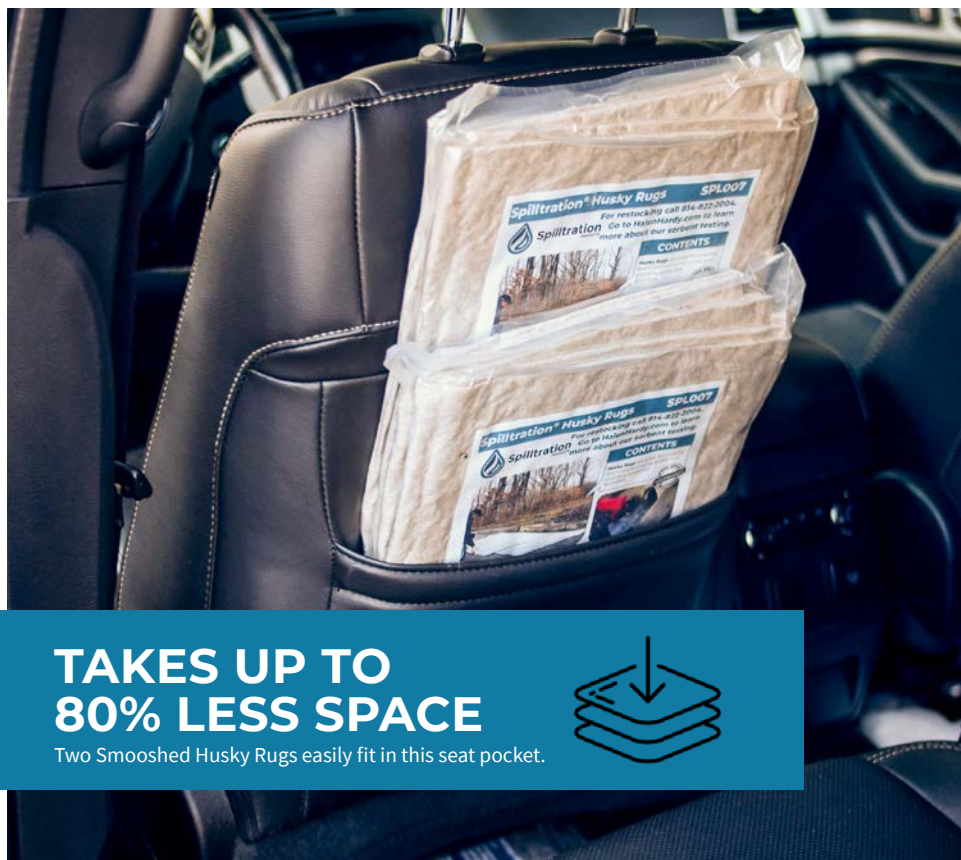

Extra-large for quick and efficient cleanup of diesel, kerosene, hydraulic fluid, motor oil, and other hydrocarbons.

Smooshed to take up 80% less space. Fits easily behind or under the seats of vehicles and equipment or inside of your current kits.

**TAKES UP TO  
80% LESS SPACE**

Two Smooshed Husky Rugs easily fit in this seat pocket.
