

# Basic Oil Spill SmooshKit®

Small, mighty and very cost-effective.  
Smoosh packed for **space savings**.

Spilltration® materials are manufactured exclusively by HalenHardy®

## STOW & GO ANYWHERE

Made for rapid response to any oil or fuel spill, rain or shine.

Try the Basic SmooshKit® if you are looking for an oil spill kit that is super compact, has premium products on the inside, and fits well within your budget.

- ✓ Cleans up diesel, kerosene, hydraulic fluid, motor oil, and other hydrocarbons.
- ✓ Smooshed packaged to take up to 4x less space.
- ✓ Picks up oil and fuels 5x faster. Squeeze and reuse up to 10x.

**REDUCES CLEANUP TIME BY 50%**

Use Husky Strips to capture oil and let clean water filter through.

Use Husky Pads to clean up bulk oils and fuels or place them under leaks.

Stores easily under seats, behind seats, or in toolboxes and utility chests.

**Spilltration® Basic SmooshKit**

<b>UV Resistant</b>	YES
<b>Smoosh Pack</b>	YES

### Why We Smoosh

HalenHardy developed its proprietary smooching technology to solve the common space constraints that many fleet and remote industries face.

This proprietary process compresses our innovative Spilltration material into compact packages that can fit anywhere. You can store smooched materials in the smallest of spaces—under the seat, in a seat pocket or in your toolbox. The possibilities are endless.

### Compared with traditional absorbents, Spilltration® SmooshKits®:

- Deploy 4x faster
- Take up 4x less space & produce 4x less waste
- Reduce shipping/storage costs up to 50-75%

### Compliance and Regulations:

- Does not float. Not for use on water
- DO NOT use with acids, bases or other caustic liquids.
- Dispose of used product in compliance with local, state and federal regulations.

### Trusted solutions used by:
