

# Pro Husky Oil Filter Mini Roll

Engineered to filter oils, fuels, sheen,  
and sediments out of water.

## THE HUSKY ADVANTAGE

**Made from 100% post-consumer  
waste.**

Spilltration Husky Mini Roll is big  
enough to cover large areas. Small  
enough to be managed by one person.

- ✓ Bulk rolls in an easy-to-manage size. Cut it to fit for your specific application or roll it out to line a ditch or stormwater outfall.
- ✓ UV-Resistant for long term, outdoor deployment.
- ✓ High absorbency for bulk spill clean-up.

**FILTERS OIL, FUEL,  
SHEEN & SEDIMENT.**

Filter oils, fuels, sheen and sediments  
out of stormwater runoff.

Great for lining ditches and protecting  
outfalls.

Use to prevent erosion, protect  
waterways, and reduce TSS.
