

Husky Polyback Oil Filter Mini Roll

Absorb and contain oil drips and leaks from outdoor machinery and equipment, **even when it's raining.**

**REDUCE CLEANUP
COSTS BY 50%**

THE HUSKY ADVANTAGE

Great for placing directly under heavy drips and leaks or covering larger areas.

Spilltration® Husky fiber layer holds onto oils, fuels, and other petroleum products while allowing rainwater to filter through.

Easy-to-manage size that can be cut to length for your specific application.

Rugged polyethylene backing prevents oil from "bleeding through" onto the ground.

UV-RESISTANT

For long term, outdoor deployment.
