

# Smooshed Husky Oil Filter Pad

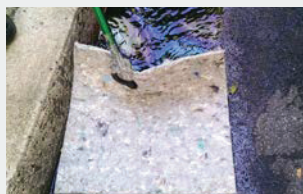

Engineered to clean up oil and fuel in the outdoors, rain or shine. Smoosh packed for **space savings**.

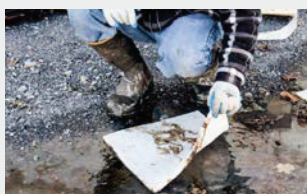

## THE HUSKY PAD ADVANTAGE

Perfect for filtering oils, fuels, and sheen out of stormwater and filtration of oily water. Picks up oils from water 5x faster.

Effective for rapid response, Husky Pads sop up the bulk of any oil or fuel spill. Implement as a Stormwater SWPPP Best Management Practice (BMP).

Great for use in or near storm drains, outfalls, sumps, storage tanks, and oily outdoor equipment.

Smooshed to take up 80% less space. Fits easily behind or under vehicle seats, in toolboxes, utility boxes, or inside current kits.
