

Pro Husky Oil Filter Strips

Rapid response tool stops spreading
spills and protects critical areas.

THE HUSKY ADVANTAGE

**Environmentally friendly, made
from 100% recycled content.**

Spilltration[®] Husky Strips are great
for surrounding spills and protecting
designated areas.

- ✓ Developed for a rapid response, Husky Strips contain spills quickly.
- ✓ Individually rolled and banded so they don't get tangled.
- ✓ Use Husky Strips to clean up diesel, kerosene, hydraulic fluid, motor oil, and other hydrocarbons.

ENGINEERED FOR OIL & FUEL SPILLS

Flat design puts more surface area in
contact with the ground, preventing the
spill from escaping underneath.

Great for surrounding storm drains,
sump drains, spills, storage tanks and
oily outdoor equipment.

Husky Strips can be stacked and
shingled to provide additional
protection and filtration.

AVOID NOVS
ELIMINATE EXPENSIVE CLEANUP COSTS.

Spilltration® Pro Husky Oil Filter Strips
SPL031 (36 strips per case)

Absorbs up to 1.1 gal./each
8"W x 64"L
